

2020-2021 BURNET MIDDLE SCHOOL PTA MEMBERSHIP

Dear Parents/Guardians:

Welcome back to a great year! The Burnet Middle School PTA is excited to continue its work with our parents, teachers and school administration. Joining the PTA is great way to become an active voice in your child's school year, receive valuable communications and explore ways to be an active contributor. Please note that [MemberHub](#) will continue to serve as our primary source of communication for the latest happenings and upcoming events in addition to email and the school website.

Please sign up now and become an active member of the Burnet Middle School PTA. Annual dues are \$6.00 per person for the entire school year. Membership is not just limited to parents and guardians. Your child's grandmother, grandfather, aunt, uncle, and cousins can join as well! Please note that participation, as parents, in any of your child's activities, **requires** a paid PTA membership.

In addition, we strongly encourage you to attend Burnet Middle School PTA meetings. At these meetings, you will learn information concerning our children and what is going on at Burnet, as well as news about all PTA events. These meetings will also give you an opportunity to ask questions and be heard.

Please return the bottom portion of this form with your membership fee. If you submit a check, please make it payable to **Burnet Middle School PTA**.

All Burnet Middle School PTA membership inquiries can be emailed to burnetnjmspta@gmail.com
