

Exit Plan

Grade 8

8th Grade

Based on an unsatisfactory mid-year GT evaluation students will be exited out of the program.

Based on an unsatisfactory end-of-the-year evaluation students will be exited out of the program.

Students are required to maintain an outstanding academic average in all their major subject areas and in cycle courses.

- a. Students who receive below a 3.5 weighted average in the four major subject areas will be placed on probation. (Honors classes count for 1.0 higher than non-honors classes, e.g. an "A" in Honors Science = 5.0, while an "A" in Science = 4.0) Any student who earns probation a second time will be removed from the Program.
- b. Students who do not achieve at least second honor roll will similarly be placed on probation. Consideration for honor roll does include cycle courses.
