Please join us as we provide information to parents about our Title I after school program. Title I is a federal program that allocates funding to local school districts to improve the academic achievement. This is a great resource to help your child improve socially as well as academically. At this meeting, we will talk about the Students With A Goal (S.W.A.G) program and discuss the following items:

- The activities and assessments that will be used and what they mean.
- How we will help your child meet state proficiency goals?
- Activities that you can do at home to help your child succeed.
- How you can be involved in the Title I program at school?
- District and School-Level Parental Involvement Policies.
- School-Parent Compact.

***Refreshments, Snacks & Child Care will be provided***

We look forward to seeing you at the meeting!
