Monday, Tuesday, Wednesday & Thursday
 Starting: Monday – July 3, 2017
 Finish: Thursday August 3, 2017
 8:25-11:35 a.m.
 *Schools closed July 4th

Burnet Middle School will be providing a **Title 1 Summer School Program** to support the development of problem solving and critical thinking skills in Mathematics and Language Arts. The purpose of the program is to provide supplementary learning experiences in these three academic areas. The students who participate in the program will receive instruction through highly qualified/certified teachers in the academic areas of Mathematics, and Language Arts.
