

# **WELCOME TO BURNET MIDDLE SCHOOL**

We are very proud of Burnet and hope that you will be, too. The pride starts with our namesake, Colonel Daniel Burnet, who had his roots in Union. Colonel Daniel Burnet was born on May 22, 1788, and according to reports, was educated in the Township of Union. People thought of him as an honest man who did not seek fame, but nevertheless attained high status in military and public life. His family owned the original tract of land upon which the original Burnet Middle School was built.

During the American Revolution, the Burnet family was well represented. Colonel Burnet's own enthusiasm for military affairs was evidence by his achievements in the local armed services. At the age of twenty-four Burnet was elected as an ensign in the New Jersey State Militia. Successively he advanced to lieutenant (1818), captain (1822), major (1828). His rapid military success was attributed to his patriotism, valor, conduct, and fidelity.

After his military service, Colonel Burnet was selected for important positions in the Township government. He brought to his offices the integrity, intelligence, and public spirit for which he was so respected. From 1832 to 1841 he was tax collector of the Township; he was also a trustee of the District School. He furthered his interest in education by establishing a scholarship fund at Rutgers University. In 1837, Daniel Burnet and his family joined the congregation of the Presbyterian Church at Connecticut Farms – an affiliation that was perpetuated by his descendants for many years. Colonel Burnet is a worthy model of a good citizen.

## **EQUALITY IN EDUCATIONAL PROGRAMS**

It is the policy of Burnet Middle School that no student shall be denied access to or benefit from any educational program or activity solely on the basis of race, color, creed, religion, sex, ancestry, national origin, social or economic status, or handicap.

It is the policy of Burnet Middle School that there shall be no differential requirements for completion of course offerings or courses of study solely on the basis of race, color, creed, religion, sex, ancestry, national origin, social or economic status, or handicap.

# ATTENDANCE

In the event of absence, a telephone call from the student's parent/guardian to the Attendance Office (851-6499) must be made prior to 8:30 a.m. the day of the absence. The student's absence shall be classified as unexcused absences. The parent/guardian of a student exceeding nine cumulative unexcused absences in a semester may face legal matters pursuant to NJSA 18A:38-28 through 31.

## Excused Absence

In Union Township School District a valid absence excuse is one for personal illness, legal matters, a religious observance or death of a member of the immediate family. Verification to certify the legitimacy of the absence should be brought to the Attendance Office within 2 weeks of the student's return to school. Verification may be in the form of a:

- Doctor's note
- Court document
- Letter from the religious group
- Documentation concerning the death of a member of the immediate family

## Unexcused Absence

All other student absences that do not fall under the above criteria and/or are not verified will be classified as unexcused and shall be charged against the student's attendance record.

## Early Dismissal

When an early dismissal is necessary, a note should be given to the Main Office during Homeroom. If a phone call is made to the Main Office requesting early dismissal; the student will not be called down prior to the parent/guardian's arrival. Any student leaving before 12 noon will be considered as absent.

## Tardiness

Prompt arrival to school daily is important. The tardy bell rings at 8:03 and students should be sitting in homeroom. It is the responsibility of the

student and parent/guardian. Tardy students must be report to Exit 1 or the Main Office before reporting to homeroom or class.

If a family problem occurs before school that results in a student's tardy arrival, the parent/guardian is encouraged to call the office or write a brief note of excuse. Although all tardiness is recorded as part of the student's attendance records, excuses received from the parent/guardian on the same day of the late arrival help the school's staff understand that the circumstances may be beyond the student's control.

Unexcused tardy arrivals accumulated throughout the school year will result in disciplinary consequences such as Detention, Saturday Detention/Remediation, and possible suspension.

The consequences **for tardy students** per marking period will be as follows:

1<sup>st</sup> lateness – verbal reminder

2<sup>nd</sup> lateness – verbal reminder & notification is given to parent/guardian by student.

3<sup>rd</sup> lateness – two Office Detentions

4<sup>th</sup> lateness – verbal reminder

5<sup>th</sup> lateness – two additional Office Detentions

6<sup>th</sup> lateness – verbal reminder that a Saturday Detention/Remediation will follow

7<sup>th</sup> lateness- Saturday Detention/Remediation

Any additional lateness can lead to Administrative Action as determined by Vice Principal. Office Detention is only assigned by an Administrator and is held from 2:40 to 3:10 PM in the cafeteria

## **DISMISSAL**

Shirts and blouses must be buttoned. They should be tucked into slacks or skirts unless designed to be worn outside. **FAILURE TO COMPLY WITH THE DRESS CODE MAY RESULT IN OFFICE DETENTION. CHRONIC NON-COMPLIANCE WITH THE DRESS CODE WILL RESULT IN MORE SERIOUS CONSEQUENCES.**

## **HARRASSMENT, INTIMIDATION, & BULLYING**

At Burnet Middle School acts of harassment, intimidation, or bullying are prohibited. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or

bullying, like any other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment; and since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

**“Harassment, intimidation, or bullying” means any gesture, written, verbal or physical act that takes place on school property, at any school-sponsored function or on a school bus and that:**

1. Is motivated by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
2. By any other distinguishing characteristic; and
3. Has the effect of insulting or demeaning any pupil or group of pupils in such a way as to cause substantial disruption in, or substantial interference with the orderly operation of the school.

Any incident of harassment, intimidation or bullying will be investigated and appropriate action will be taken by the administration.

## **ELECTRONIC DEVICES/CAMERAS**

Cell Phones must be turned off before entering school and should be out of sight. Audio headsets are not to be worn or displayed in school. I-Pods, DVD players, cameras, game boys and other such electronic devices should not be brought to school. If any of these items must be brought to school, they should be locked securely in the student's locker or brought to the office for safekeeping. **ANY OF THE ABOVE ITEMS MAY BE CONFISCATED and PICKED UP BY THE PARENT/GUARDIAN.**

## **SUSPENSION FROM SCHOOL FOR PHYSICAL FIGHTING**

The safety of every student is a priority in Burnet Middle School. When students fight (either "play fighting" or "angry fighting") one or more students can be injured. Because of the potential danger to self and others, all students involved

in a "physical altercation" may be suspended. The administrators, school counselors, teachers, and staff are available to help students resolve conflicts verbally. Words said in anger between students can be settled without physical abuse. Students are encouraged to ask for help and advice. On the way to and from school, on school grounds, and in school all students must remember: **Do not touch another student.** A "playful touch" often receives an "angry touch" in response and this is the beginning of a fight. The years you attend Burnet Middle School and grow toward maturity will help you develop appropriate social skills to handle conflicts in non-violent ways.

## **BURNET MIDDLE SCHOOL DISCIPLINE PROCEDURES**

**I. TEACHER DETENTION** - This is given by classroom teachers as a consequence for infractions of the teacher's assertive discipline plan. Copies of each plan will be sent to parents and discussed at Open House. Teacher detention is given after school in the teacher's classroom. Students who do not report are listed as a cut and may be dealt with at the next level by the building administration. Students who have detention from more than one teacher on the same day should serve the detentions in the order they were given.

**II. OFFICE DETENTION** - This is given to students who violate school policy outside of the classroom or for constant violation of teacher discipline. This is issued only by the building administration. Office Detention is held in the cafeteria from 2:40 p.m. to 3:10 p.m. and is monitored by a proctor. Any student who fails to attend office detention is marked as a cut and receives extra days or if necessary, the next level of disciplinary action will be taken. Students should attend teacher detention before serving office detention; see below.

**III. SATURDAY DETENTION/REMEDATION** - This is given for more severe misconduct or chronic misbehavior of any kind. This is usually served on the first Saturday of the week that the punishment is given. It is held at Burnet Middle School from 8:30 a.m. until 10:30 a.m. Failure to attend this detention can lead to additional detentions being assigned or possibly suspension from school.

**IV. SUSPENSION** - This is the most serious consequence and is given for serious violations of school and Board of Education policies or continuous, willful misconduct or disobedience. A reinstatement conference with parent/guardian is required before a student may return to school. The length of a suspension will be from 2-5 days in length. In certain circumstances, a suspension may exceed 5 days.

## **NOTIFICATION POLICY:**

1. It is expected that students will notify their parents 24 hours in advance for any assigned teacher or office detention.
2. Parent/guardian will receive notification advising them that an office detention had been assigned from their student.
3. Students will receive notification advising them that a Saturday Detention/Remediation or suspension has been assigned.

## **AFTER SCHOOL DETENTION**

Office Detention is only assigned by an Administrator and is held from 2:40 to 3:10 PM in the cafeteria.

If a student has both teacher and office detention, first go to the teacher detention as assigned. Then ask for a pass from that teacher and bring the pass to the Office Detention proctor in the cafeteria. Students must serve the required Office Detention until dismissal at 3:10 p.m. Failure to do so will result in stronger consequences. If a student misses Office Detention due to a teacher detention, a pass from the teacher must be presented to the office the following day.

When more than one teacher assigns a student teacher detention on the same day, the student must keep his/her own schedule to be sure all detentions are served in the order they were assigned. A student should ask for a pass from the first teacher when the detention is served and the pass can then be shown to the next teacher or to the Office Detention proctor.

If you have any questions about this procedure, ask an Administrator when Office Detention has been assigned. Failure to attend Office Detention will result in a Saturday Detention/Remediation.

**REMEMBER: STUDENTS THAT RESPECT THE RULES, AUTHORITY AND EACH OTHER WILL NOT HAVE TO WORRY ABOUT THE TEACHER DETENTION AND OFFICE DETENTION PROCEDURES!**

## **STUDENT COMPLAINTS AND GRIEVANCES HEARING PROCEDURES AND/OR APPEALS**

**Rights of Students:** Any student having a complaint has the right to discuss the matter with an appropriate school administrator. No reprisals of any kind shall be taken against any student as a result of a complaint or appeal. All appeals and/or complaints to the principal must be put in writing within 24 hours. (The full appeal process is available upon request.)

# **BUILDING YOUR FUTURE THROUGH YOUR SCHOOL RECORD**

## **SCHOOL WORK**

The skills learned the background of knowledge obtained and the basic attitudes acquired during the middle school years all lead to the development of character and each student's success as a citizen.

There are many opportunities to grow and develop individual abilities in school. However, in order to achieve success and benefit from these experiences, a great deal depends upon the students and the habits, which they form independently.

The following are some suggestions that may help students to achieve this success:

1. Have books, notebooks and other equipment well organized and available.
2. Plan a filing system; keep the same for their notebooks to help in locating each assignment easily. Have a folder for each subject.
3. Keep erasers, pencils and pen, as well as a small ruler, in a convenient place so they are available when needed in class.
4. Listen carefully to all directions.
5. Be prepared for all classes. Start to work promptly.
6. Maintain high standards of penmanship, spelling and neatness in all written work.
7. Be sure that lessons are completed and handed in on time.
8. **WRITE ALL ASSIGNMENTS DOWN.**
9. Have a quiet place to study at home, away from all distractions.
11. If a student needs additional help from the subject teacher, make an appointment promptly to be sure of receiving help when it is needed.
12. Remember that the work that students do independently is more likely to be understood and retained in their memory.
13. Be proud of all accomplishments.
14. **STUDY** on a regular basis - it is better to do a little each day rather than trying to cram all necessary studying into one night.
15. **PLAN TIME WISELY** to have **study** and **fun** time.
16. Remember the habits formed in Burnet Middle School will be taken by each student to the high school.

## **HOMEWORK:**

### **WHAT IS EXPECTED AND HOW IT HELPS**

Students will be assigned homework as a supplement to their regular classroom instruction. Students will profit by bringing books home every night. The completion of homework assignments and regular studying contributes to a student's academic success. The recommended **minimum time**, which should be set, aside each night for homework is sixty (60) minutes in the sixth grade, seventy (70) minutes in the seventh grade, and eighty (80) minutes in the eighth grade. The time actually required for each student to complete the homework assigned will vary with the individual.

### **WHAT SHOULD A STUDENT DO ABOUT HOMEWORK/CLASSWORK MISSED WHEN**

# **ABSENT FROM CLASS DUE TO ILLNESS OR IN-SCHOOL ACTIVITIES**

Students have the responsibility of making up work missed during a period of illness. Each day's absence entitles the student to an extra day to make up the work.

If the illness extends for **three or more days**, the Guidance Office should be notified by the student's parent/guardian. The school counselor will request assignments from the subject teachers. Sufficient time is necessary for the collection of such assignments. When assignments are collected, they may be obtained from the counselor's office.

Homework for lesser periods of time may be obtained from the teacher when the student returns to school. Students are encouraged to check their teacher's website for their assignments.

When students miss regularly scheduled academic classroom lessons for supplemental, gifted and talented education sessions, music lessons, etc., the students are required to take the personal initiative to meet with the regular teacher for missed class work to be completed as additional homework that day. Students are responsible to turn in the previous night's homework to the classroom teacher **prior to going** to supplemental gifted and talented education sessions, music lessons, etc.

## **TEXTBOOKS**

Textbooks are tools which students use to help them master the subject matter in most classes. Every student has the responsibility to take proper care of books issued for personal use. **ALL TEXTBOOKS MUST BE COVERED AT ALL TIMES.** This protects the books and extends their useful life. Keep books in a secured locker when they are not being used. The student to whom they were issued must pay for lost or stolen books. Be sure lockers are locked at all times. All textbooks assigned must be returned at the conclusion of the course. Each student will be held financially responsible for damaged textbooks.

## **LIBRARY MEDIA CENTER TOOLS TO ENHANCE YOUR LEARNING**

All Burnet Middle School students are invited and encouraged to visit the Library Media Center located on the second floor. It is a center for research, collaborative work, and reading pleasure. The Center contains a large print collection of current fiction, nonfiction, biographies, and reference materials for student use. A wide variety of non-print materials are also available, including a number of curriculum related subscription

databases intended for student research, and educational DVDs for classroom use by teachers. In addition, the Center maintains an extensive magazine collection, with current issues shelved for easy accessibility and back issues available on a circulation basis. A wireless cart with 24 laptops is also available for class use and research.

The Center opens at 8:03 and closes at 3:15 p.m. Many classes are conducted in the Center when access to research material is essential to the subject being studied, when a library skill is to be taught or reinforced, or when an entire class requires book selection. Students may visit on an individual basis during homeroom or after school. All students must present a pass signed by their teacher when entering the Center before 2:34 pm. Students intending to borrow library materials or work at a computer must also present a Student Identification card. Internet use in the Center will only be granted to those students who have submitted an Internet Permission form signed by a parent or legal guardian.

Books may be borrowed for two weeks and may be renewed when necessary. Magazines may be borrowed for one week only. Only one graphic novel may be borrowed at a time. Students are expected to handle items carefully and to observe due dates. A fine of five cents per day will be imposed for books returned after the due date, excluding weekends, holidays, and days of absence. The cost of replacement will be imposed on all lost or damaged books.

### **What is Section 504?**

Section 504 is a broad civil rights law protecting the rights of individuals in programs and activities that receive federal Funding from the U.S. Department of Education. The law protects all school-age children who qualify as “handicapped” according to the definitions described below. Section 504 of the Rehabilitation Act of 1973 states: “No otherwise qualified individual with handicaps in the United States shall, solely by reason of her or his handicap, as defined in section 706(8) of this title, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by any Executive agency or by the United States Postal Service” (Sec. 794).

The Township of Union Public School district does not discriminate in admission or access to, treatment or employment in its programs and activities in accordance with Section 504 of the Rehabilitation Act of 1973 and ADA.

Question regarding Section 504 should be directed to Greg Tatum, Assistant Superintendent of Schools, and to the Section 504 Designee in each of the district’s schools. The Section 504 Designee for Burnet Middle School can be contacted by calling 851-4696.

### **Intervention and Referral Services**

N.J.A.C. 6:26-1.1

Intervention and Referral Services (I&RS) is a state mandated (NJAC 6:26-1.1) multi-disciplinary committee which operates in every school in the state of New Jersey. I&RS committees are intended to be used as a primary mechanism in a school building for assisting general education staff and expanding their skills and abilities to successfully accommodate the needs of students in the general education program who are experiencing difficulties with academic achievement.

Referrals to the committee are usually made by teaching professionals who are seeking the help of their colleagues for alternative ideas for addressing a student’s academic or behavioral deficits exhibited in the classroom and identified through various sources of data collection. Through strategic planning and collaboration the committee designs, implements, and monitors

intervention plans for students experiencing difficulties with learning, behavior and health issues that in some way relate to the educational process. Parents may request assistance from this committee but intervention plans are devised with a teacher focused/school identified problem in mind. The school counselor may be contacted for further information. Updated 4/13/2013
